A fun, mixed media class for all abilities

Thursdays, 9.30 - 11.30

Commencing 19th January 2012

£90 per 10 week term

with Kath Canning

This course is suitable for all abilities and everyone is welcome.

Through demonstration, practical work, one-to-one tutorials and discussion, the course will teach you basic skills including: drawing in line and tone, building up painting in layers, basic printmaking, and more. We will move on to more advanced skills including: composition, responding to other artists' work, mixed media etc.

We will explore different exciting markmaking techniques from blind drawing to card printing and use other artists' work to influence and develop our own ideas. The first part of the course will be learning different skills and techniques and then you will move on to use your favourite skills to produce more personal, individual work.

You will need to bring:

A3 sketch pad, black sugar paper, 2B and 6B pencils, rubber and pencil sharpener, black biro or fine liner, graphite stick, black permanent pen, small oil pastel set, basic set of acrylic paints and brushes, PVA glue. (Sounds a lot, but not too expensive!).
