Work on your own garment at your own pace with expert guidance. This could be an unfinished garment, which may have caused you problems but you would like to complete. Alternatively you can cut out a new garment and sew as much as you can in the day.

A workshop for all dressmakers to get together for a 'problem solving' day, and to learn the professional approach to more difficult techniques.

The day will include a demonstration.

You will need to bring all materials required for your particular project.

The cost of this workshop is £40.

Please bring a packed lunch. Tea and coffee will be available from a vending machine.

To enrol on this course please see the information overleaf.
