A basic knowledge of sewing is an advantage to gain full benefit from this course. You will be taught through a mix of individual help from the tutor and group demonstrations.

Demonstrations include putting in a zip, pockets, collars, pleats etc.

You will need your own project to work on, so that you can work at your own pace.

You will need: cloth and pattern, pins, scissors, tape measure, notebook.

For those new to the course, please contact the tutor, Pat Arnold (01223) 811596, before the start of the course. She will advise on choice of cloth and pattern for garments. Practical help is given in cutting out and making of garment.

For the Monday and Wednesday sessions, it is helpful to bring your own sewing machine if you have one.

For the Thursday session, you may choose to do either Dressmaking or Pattern Cutting (please see separate leaflet).
