A basic knowledge of sewing is an advantage to gain full benefit from this course. You will be taught through a mix of individual help from the tutor and demonstrations.

You will be taught to draft a perfectly fitting block pattern to your own measurements, which you can use in the future to create your own garments.

All style lines are taught in the first year, including collars, yokes, princess line, raglan, dolman sleeves, skirt lines and pleats.

You will need: pins, scissors, tape measure, notebook, set square, pens, pencils and rubber.

For those new to the course, please contact the tutor, Pat Arnold (01223) 811596 before the start of the course, if you wish to know more.

Please note that for the Thursday session, you can choose to do either Pattern Cutting or Dressmaking (please see separate leaflet).
