This class is designed for students who want to learn the basics of sewing. It will give you the opportunity to learn how to use a sewing machine in a friendly and supportive class. For those already with a machine, you are welcome to bring in your own. Projects include cushions and bags, through to following simple dressmaking patterns to create your own clothes.

For the first session, bring along a range of pressed remnants plus two pieces of fabric (about 0.5m) to make a bag. Alternatively, if you already have a small project to work on, please bring this along.

Although the class is aimed at total beginners, with lots of practical guidance, all abilities are welcome.

Please bring :

- \* Suitable fabrics
- \* Sewing kit containing: scissors, pins, needles, thread, tape measure and chalk, although some equipment is available for your use.
- \* A notebook and pen may also be helpful.
