**£225 for 25 weeks**

Learn Spanish the easy way. Get to know the people and culture. Whether you're planning a trip, wanting more out of your holiday or business trips to Spain or looking to make the most of your free time - Spanish evening classes at Bottisham are an ideal way to get a taste of this wonderful language. This is a beginners' level course intended to provide a fun introduction to Spanish language, culture and society. Within a few weeks you'll be familiar with greeting friends and acquaintances, eating out and finding your way around - all in Spanish !

With an emphasis on gaining confidence in speaking and listening, the classes combine structured study alongside interactive exercises such as role-play, games, pair and group-work. Each week we will cover a topic focusing on one aspect of life in Spain which will provide opportunities to develop reading, writing, listening and speaking skills in Spanish. We will also include as far as possible individual student interests and needs with regard to language study (such as travel or work requirements).

This is a beginners' class so no previous experience is required.

The course is designed to be flexible in accommodating different learning styles and students will be encouraged to provide ongoing feedback regarding the approach and techniques they feel are most successful. Progress will be faster if students set aside regular time each week to practice and revise.

The tutor will advise you of a suitable course book at the first lesson.

The course fee is £225 for 25 weeks, from September through to the end of May. Please note that the full fee is payable during the first term. The fee can be paid by three instalments during September, October and November. The first instalment must be paid before the course commences. Please note that if you choose to withdraw from a course, the full fee remains payable.
