Dear Parents/ Carer

Re: Non Uniform Day – Raising money for Haiti

On Thursday 11 February, we are planning to have a non-uniform day to raise money for the relief effort in Haiti. When your child comes to school in non-uniform, they are requested to bring in £1, which will be collected by their form teacher in registration.

All the money that we raise will be contributed to the Disasters Emergency Committee, who split the money donated between their various member agencies. There are many members including Action Aid, Oxfam, British Red Cross and Save the Children. These agencies spend the money on emergency supplies such as food, water and medical help. They also provide longer-term support for the people affected, helping them to rebuild their lives.

As you may be aware we recently had a non-school uniform day to raise money for the charity Anusuran. We raised a large amount, exceeding our target of £1500, meaning that with our money Anusuran can now build a new nursery building.

If every student in the school comes in non-uniform and brings in their pound, then the school can raise a substantial amount.

Yours sincerely
